REUSABLE LAYERED CLOTH FACE MASK

The reusable, Core Products® Layered Cloth Face Mask comfortably covers the nose & mouth for protection from airborne pollution, dust, pollen, and other particles. The slim, pleated design allows you to conveniently store mask in a pocket or purse.

Constructed from a double layer of soft, breathable fabric that contours to the face for a secure and comfortable fit. Tie straps hold the mask snugly in place and offer greater adjustability compared to elastic straps.

This mask can be laundered and machine dried numerous times, is latex free, and made in USA. One size fits most adults.

NOTICE: These masks are considered an improvised form of personal protective equipment (PPE), and do not meet the standards of FDA cleared devices designed and tested for this purpose.
